Board Meetings: Mayor Sherry Tyler, (502) 802-9565 s.tyler@twc.com

TRASH COLLECTION – Commissioner Gayle Wilhelmi

Trash, recycling, and yard waste services are provided by Waste Management. The City provides an 89 gallon wheeled trash container and a recycling bin.

- Trash collection is at the curb every Tuesday
 - For larger item pickup, call to set up a time for collection.
 - Tires, hazardous materials, or items that have contained Freon will not be collected.
- Yard waste collection is at the curb every other Tuesday with recycle and continues year-round
 - Yard waste must be in paper bags, trash cans or bundled and tied together in lengths under 4 ft.
- Recycling collection is at the curb every other Tuesday with yard waste
 - Acceptable Recycling materials:
 - Plastics with a 1-6 on the bottom
 - Cardboard and Pizza Boxes (please break them down)
 - Newspapers and Junk Mail
 - Glass (clear, brown, blue, green)
 - Tin and aluminum cans

If a holiday falls on a collection day, the pickup is normally made the following day. If the collection is cancelled due to bad weather, it will not be picked up until the next regular collection day.

PLANNING – Commissioner Gary Osborne

Residents that are planning to build a garage, large shed or an addition to their home will need a "Letter of Compliance" from the Board of Commissioners before applying for a building permit. This can be obtained by bringing a copy of the plans to a city meeting. Copies of the deed restrictions are available, but it would be best to check for any additional restrictions at the Dept. of Planning & Zoning. Please call ahead of time to be put on the meeting agenda.

ROADS, STREET LIGHTS & SIGNS – Commissioner Brad King

The city provides for road resurfacing and repair as well as salting and snow removal from the City streets. Please let us know if you observe a problem with our roads, the visibility of street signs or a light out on your street.

POLICE, FIRE and TRAFFIC – Commissioner Joe Penny

Jefferson County ordinances apply to residents of our City, and include such things as a prohibition on burning trash or leaves, a restriction on parking in the fire lane, and a requirement that pets always be restrained while outdoors. Cambridge also prohibits parking on the grass/lawn of your home.

TAXES – Treasurer Sherry Tyler

The City of Cambridge receives additional income from the insurance premium tax. This is a tax you already pay for insurance on your home, car, etc. This ordinance allows the money from this tax to be paid to our city instead of going to the City of Louisville. This money helps the City of Cambridge keep tax rates low. For the City to collect this money, each resident would need to contact their insurance providers and tell those companies that the insurance premium tax should be sent to the City of Cambridge
